Antioch Dollar Days Set for Oct. 6, 7, 8; Merchants Plan Sale

Jos. Patrovsky Made Chairman of Third Annual Bargain Days

Antioch's third annual Dollar Days will be held Oct. 6, 7, and 8.

These days were decided upon Monday at the monthly meeting of the Antioch Chamber of Commerce which is asking every merchant to participate.

Joseph Patrovsky of the Antioch Packing Co. has been named chairman of the project and Robert Jensen has been made a member of his committee.

Patrovsky is asking merchants to prepare for the day and to follow practices of the past in putting out real bargains for the occasion. Antioch has gained a reputation of offering good merchandise and not taking advantage of the day to get rid of non-selling items.

The business men will accelerate their plans to get an off street parking area east of Main st. This calls for platting the area to determine ownership of lots so that they can be obtained. Cost of converting the land into acceptable parking space will be borne by the village from sales tax and parking meter money.

While the movement to get the parking area has been slow, it is expected that efforts will be greater now to get the place ready for use next summer at the latest.

Bristol Band Here for Practice Next Week

Antioch bandsmen went to Bristol Monday night and engaged in a practice there with the Bristol band. In turn, the Bristol musicians will come to Antioch next Tuesday evening for a joint practice session. Directors took turns in directing the numbers.

Together the bands have a total of 70 members.

Consideration is being given to a joint concert of the bands here and at Bristol.

After the practice sessions of these bands, the Antioch Community band will return to its weekly practices in preparation for the annual minstrel show.

Vernon Rogers Comes Home From Hospital

Vernon Rogers was brought home Sunday from St. Michael's hospital, Stevens Point, Wis., where he has been under care since Friday, Sept. 2, when he and Mrs. Rogers were injured in an automobile accident. While recovering from a skull fracture he must remain quiet for six months.

Mrs. Rogers, who suffered a fracture of an arm and ribs and was badly cut and bruised, will return home in two or three weeks.

The Rogers' were on their way to their summer home at Cable, Wis., when at Plover near Stevens Point their car and another driven by Iowa residents collided. The Rogers car was demolished.

Antioch Girls at Lawrence

Nancy Rentner, 357 Harden st., and Gretchen Biel, Channel Lake, Antioch, are among a class of 300 new students admitted to Lawrence college, Appleton, Wis., for its 109th academic year beginning Sept. 29. Usually Lawrence begins its year two weeks earlier, but a polio epidemic in Appleton has delayed the opening date.

New students will undergo a period of orientation until upperclassmen arrive on Oct. 2, and classes begin on October 5. Greek letter groups will do their pledging on Oct. 9.

The days lost at the beginning of the year will be made up during the year by accelerating examination schedules, and by the elimination of Thanksgiving vacation. No further inroads on vacation time will be made.

Greeting the new students will be President Douglas M. Knight, eleventh head of Lawrence; and Dean Marshall B. Hulbert.

Republicans Meet Tonight

First fall meeting of the Antioch-Lake Villa Township Republican club will be held this (Thursday) evening at the Antioch Rescue Squad building at 8 p. m.

Meetings will be held monthly, alternating between Lake Villa and Antioch during the fall and winter months. Meetings during the summer have been suspended each year since organization of the club.

A cordial invitation is extended by the officers for any residents of the two townships to attend the meeting.

Antioch Beats Wilmot 19-12 Through Aerial Attack in Home Game

Sequoits Will Open Conference Play Against Ela at Lake Zurich

Antioch High will open its conference football season Saturday afternoon at Lake Zurich facing Ela Bears after having made an impressive start by defeating Wilmot (Wis.) High here Saturday night 19 to 12.

Facing a more experienced team, a rebuilt Sequoit team admitted a weaker defense against the rushings of the Panthers and took to the air with great success.

But whereas the Panthers gained 223 yards in rushing to Antioch's 125 and made 11 first downs to Antioch's 10, the Sequoits gained 140 yards by passing to Wilmot's 27 and a margin of yards gained at 265 to 250.

Antioch, too, outkicked and outpunted Wilmot.

The Sequoits knew at the start they were up against a seasoned and outstanding team. The Panthers scored first on a 40-yard run by Ben Benedict in the first quarter. Then quarterback Al Reckers unloosed his aerial attack and the Sequoits fought back in the second period to score on a 23-yard pass from Reckers to Layton which climaxed a 69-yard drive. Antioch went ahead 7 to 6 when Frank Walsh converted from placement and never was headed the rest of the game.

The Sequoits scored two more touchdowns in the third period, one of which was a spectacular 85-yard return from kickoff by Schroeder and the other on a 30-yard passing play from Reckers to Walsh after a 28-yard pass by Reckers to Jerry Huml.

Reckers proved a worthy successor to last year's Warren Brownlee in the art of passing and the receivers responded well.

Wilmot scored her final touchdown late in the third period on a 61-yard drive with Fred Farber carrying the ball. He carried the ball 17 yards to the two-yard spot and then crashed over.

Coach Paul Kessenich was highly pleased with the spirit of the team in its first game and while there were a number of errors, these were to be expected and will be overcome gradually. Richard Vlk received an injury that kept him out of practice and Jim Myers also was hurt, but the two are expected to see play this weekend, and the team should be at full strength.

Ela-Vernon set Round Lake back 21 to 0 at Round Lake in the first varsity game for that new school Saturday. On the basis of the Bears' showing Antioch is expecting a good game against them.

Broecker Baby Dies

Susan Mary, two day old infant daughter of George H. and Lorraine Broecker of Loon Lake, was born September 16 at Condell Memorial hospital, Libertyville, and died Sunday. Survivors are her parents, a brother George, paternal grandparents, Mr. and Mrs. Charles Broecker, Ft. James, Ohio, and her maternal grandparents, Mr. and Mrs. Hubert Fox of Chicago. Services were held at 9:15 a. m. Tuesday at the Strang Funeral home. Interment was in Mt. Carmel cemetery.

STRENGTH OF HOME AND NATION

25 Attend First Meeting Of Antioch Boy Scouts

The first meeting of Troop 92, Boy Scouts of America in Antioch, had a turnout of 25 boys. The Explorer Scout group which comprises boys 14 years old or over, numbered 10. A complete program for the year is now being prepared. Owing to High School Homecoming falling on the same weekend as the fall camporee, another date for the first camp-out will be set. The Lions club of Antioch sponsors this group of boys and young men.

Jim Horton is scoutmaster, and assistant scoutmasters are Paul McMahon, Ken Woolner, and Morris Verkest. Eugene Balmes is the junior assistant scoutmaster.

Robert Wright is the institutional representative and the committee members for the Lions club are C. B. Olsen, chairman; Thomas Haley, Lawrence Lang, Robert Wright, and William Brook.

Day of Recollection To Be Held October 2 At St. Peter's Church

A day of recollection will be observed at St. Peter's church from 1 to 5 p. m. Sunday, Oct. 2 under sponsorship of the Altar and Rosary society. It will be for all women and girls, married or single in the parish.

Fr. Frank Calkins, Servite priest, teaching at Our Lady of the Forest seminary at Lake Bluff, will conduct the conferences. Fr. Calkins is one of four brothers who are priests and was a chaplain in World War II.

Mrs Joseph DeStefano, retreat chairman, will be hostess for the day. Tea and refreshments will be served between conferences.

Lake Marie Boatman Stricken

The Antioch Rescue squad was called to Klopp's resort at Lake Marie Monday evening where they gave first aid to Thomas Clairborne who became paralyzed while operating his cabin cruiser. Clairborne, aged 43 suffered the loss of the use of his left side. At the advice of a physician he was taken by the squad to Victory Memorial hospital. He is a Chicago resident.

A.T.H.S. Cheerleaders Chosen, Karen Rentner To Head 6-Girl Squad

Cheerleader try-outs were held recently for junior-varsity cheerleaders. Nineteen girls tried out for the six positions on the squad. Sandra Barnstable, Elaine Christensen, Rose Ellen Furlan, Jill Gaston, Charlene Keulman, and Karen Rentner were selected by the student body. Karen Rentner will act as head cheerleader of this squad for the 1955-56 year.

Varsity cheerleaders were selected last spring. They are: Carole Hansen, Jackie Martin, Rosalie Morris, Donna Reidel, Janet Rogers, and Sue Wolfinbarger. Donna Reidel is head cheerleader for the varsity squad.

Both squads of cheerleaders drove to Wauconda Saturday, Sept. 17 for a conference cheerleader clinic. Rules, organization, problems and techniques for cheerleaders were discussed. Plans are being made to take both squads of cheerleaders to the state workshop for cheerleaders at Normal, Ill., on Oct. 29.

Last 1955 Boat Races At Mineola Bay Sunday

The Petite Lake boat racing teams will hold their last regatta of the season Sunday at the Mineola hotel under sanction of the American Power Boat Association. The rules will be deviated to permit adult members of the APBA to participate. Racing will start at 1 p. m.

There will be races in the J, A, B, and D Utility classes; A and B stock hydros, and a hydro free-for-all. All boats are to be registered under the APBA.

Former Antioch Youth Helps Invent Undersea Platform in Florida

Homestead, Fla.—Two youthful, embryonic Edisons from Leisure City have at long last constructed a diving platform for underwater photography and already it has been tested at a depth of 50 feet with success according to the inventors, Tom Smith of 15472 Harrison drive, and Dick Grootvelt, 15265 Avocado dr., formerly of Antioch, Ill.

The strange looking platform mounted on steel skids with two fins at the stern to keep the platform under water, a rudder to steer it and a bow fin which regulates the diving grade is a conglomeration of electrical tubing and steel, not to mention 300 feet of towing rope which permits the platform to descend to a depth of 80 feet and travel three to four miles per dive.

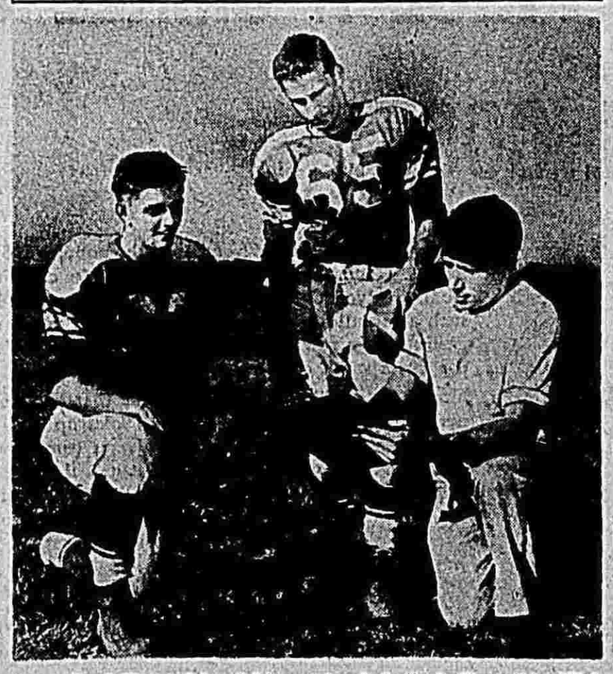

While it is a far cry from the waters of Biscayne Bay to the kleig flooded movie sets of Hollywood, Calif., both young men admit that the idea came from an under water film starring Jane Russell. They also admit that they went to the show several times before they could take their eyes away from Miss Russell and concentrate on the contraption upon which she languished at the bottom of the sea.

Once they got the idea from the underwater sled for taking colored photography of marine life hereabouts, both Smith and Grootveld went right to work.

Smith is with the General Sheet Metal Co. in Miami, and has been a resident of Homestead for three years. Grootveld is employed by the Florida Sun-Deck Homes in Leisure City where he has lived for the past 10 months.

Mayor James McMillen attended the Ducks Unlimited dinner meeting in Chicago last evening.

Plan Saturday's Contest

Paul Kessenich, right, coach of Antioch Township High school, is mapping to Jerry Mayer, left, and Harve Strametz, center, co-captains the strategy they will use in Saturday afternoon's game with Ela-Vernon High school at the Lake Zurich gridiron....It will be the first game of conference play. (Picture courtesy Waukegan News-Sun)

Emmons and Lotus Grade School Districts To Vote Saturday Afternoon On Proposals; Emmons Asks Addition; Lotus Educational Tax

Central High School Has Marked Increase In 1955-56 Enrollment

The Central High School at Salem is experiencing a sharp increase in enrollment. Principal A. H. Erickson reports the total number of students to be over 400. The upper grades have increased chiefly because of out of district transfers and many families who have moved into the Central High School district. At present there are 114 freshmen, 114 sophomores, 101 juniors, and 81 seniors. The boys outnumber the girls 233 to 176.

An informative Student-Parent handbook has been introduced and copies are available at the main office to those who request one. The school is also planning an open house orientation night in conjunction with the first meeting of the Central High School Community club. Parents, students and teachers will have an opportunity to get better acquainted and the general public will be cordially welcome. Freshman parents are especially urged to attend. The date will be announced later. All former teachers returned and two new ones were added. Ralph Antes will assist in Industrial arts and John Daily is in charge of guidance.

Expert Tells P.T.A. Trend in Reading Back To Phonics, Plus Sight

The trend in reading is back from sight recognition of words to phonics, but better schools will maintain a mixture of both to achieve best results, Rush Darigan told the Antioch Grade School Parent-Teacher association Monday night.

More than 140 persons were present at the meeting at the school auditorium over which Mrs. Richard Eckert, president, had charge.

Supt. Richard Whitacre introduced the teachers for the ensuing year.

After a discussion on ways to make money, a ways and means committee was formed with Mrs. Marney Gunter as chairman. Members of her committee are Mrs. Deloris Pierce and Mrs. Margaret Aschenbrenner.

A record player will be purchased for Mrs. Little's fourth grade room. Mrs. Aschenbrenner thanked the P. T. A. for the player given her music classes.

Lee Ipsen, vice president, introduced Mr. Darigan, the speaker, a former high school and grade school teacher who is a specialist in reading for Scott Foreman and Company, a publishing firm. He used the blackboard classroom method in presenting his subject, "Reading Problems of Children," and answered questions from the floor.

Mr. Darigan said that the trend in reading has been back and forth from word sight to phonics, and gave historic data on it. In the 1930's the pendulum swung to word recognition through illustration and reached an extreme in the following decade.

Now the trend is back the other way, but most schools employ a mixture.

Mrs. Lee Davis and Mrs. Evelyn Smith, eighth grade room mothers served refreshments after the meeting with Mesdames Alice Lassen, Laura Thayer, Ruth Duha and Laura Rentner assisting.

The next meeting of the P. T. A. wil be at 8 p. m. Monday, Oct. 17 in the grade school auditorium.

Peter Appleby at Hamilton

Peter C. Appleby, son of Mr. and Mrs. Clare Appleby of Allendale School, Lake Villa, entered Hamilton College, Clinton, N. Y., this week as a member of the freshman class.

A graduate of Lake Forest Academy, Appleby is studying for a bachelor of arts degree. He plans to major in the liberal arts.

Included among the 175 entering freshmen who arrived this semester are three students from foreign countries. In addition, 10 men whose education at Hamilton was interrupted by military service are returning to the college this fall.

Hamilton college's three-story chapel, believed to be the only such structure remaining in existence, was the scene of the college-opening convocation service on September 15, when Hamilton President Robert W. McEwen addressed the undergraduate body.

Simonsens at Chetek, Wis.

Fire Chief and Mrs. Edgar Simonsen are spending the week at Chetek, Wis., as a part of a two-week vacation. Chief Simonsen will do a little fishing but he isn't promising to supply enough for a meal for the whole department.

Total $75,000 Bond Issue For Emmons Sought for More Classrooms

Residents of two grade school districts will go to the polls Saturday afternoon to vote on proposals to improve their schools.

Emmons school at Rte. 59 and Beach Grove rd. will be the voting place for Dist. 33, which will consider four proposals on two ballots.

On one ballot the voters will consider the proposal to build an addition to the present building; a proposal to issue $70,000 in bonds to finance the building; and a proposal to issue $5,000 in bonds to purchase additional ground to improve the present site.

On the other ballot the voters will consider the proposal to increase the educational tax rate to 61 cents on the $100 assessed valuation. This will make extra money available next year for the hiring of an extra teacher or other expense connected with the educational end of the school.

The bond issue will permit an addition of three classrooms and an all purpose basement room which can be made into classrooms later if necessary.

The project has the approval of the Lake County Civic league which investigated the financial aspects thoroughly.

Residents in the Lotus School area, known as Dist. 10-J, which includes both Lake and McHenry counties, will be asked to increase the educational fund rate from 51 cents to 72 cents on the $100 assessed valuation.

This would increase the income from $12,815.07 to $18,133.58.

Voting at both schools will be from noon to 7 p. m.

Antioch Frosh-Sophs Lose to Grant 6 to 0

The Antioch High School freshman-sophomore football team lost its first game of the season to Grant at Ingleside Monday 6 to 0. The Grant underclassmen made their touchdown in the third quarter when Bob Dixon circled right end for 9 yards after a 60-yard drive.

Antioch missed four good scoring opportunities from within Grant's 20-yard line, but failed, owing to penalties. The Papooses received a total of 75 yards in penalties.

Charles Hucker was outstanding as a yard gainer and on defense. Bert Metz, freshman tackle, and Terry Horton, end, played a good game.

Antioch will play Ela-Vernon at Lake Zurich next Monday afternoon.

More Passenger Cars, Fewer Busses in State For First Six Months

Springfield, Ill.—Motor vehicle registration in Illinois at the end of August had already surpassed last year's record high total, Secretary of State Charles F. Carpentier announced recently.

For the first eight months, 3,274,420 motor vehicles of all types were registered, an increase of 74,944 over the entire year of 1954, Mr. Carpentier said. The 1955 figure is 172,357 more than the comparative eight-month total for 1954, he added.

In only one category—busses—was a decline noted, Secretary Carpentier said. So far this year 1705 have been registered, compared with 2,010 at the same time last year.

The break-down for the two eight-month periods shows:

	1955	1954
Passenger cars	2,763,933	2,615,295
Trucks	395,285	380,662
Busses	1,705	2,010
Trailers and Semi-trailers	84,608	75,704
Motorcycles	21,248	20,867
Dealers	7,641	7,525

Central Plans Open House

The Central High School Community Club presents the opportunity for parents, students, and teachers to get better acquainted. An open house orientation night is announced for 8 p. m. Wednesday, Sept. 28. All faculty members will be present and parents and students are urged to attend. Principal A. H. Erickson especially extends an invitation to freshman students and their parents and to those who have no children in school.

The meeting will be rather informal and a general discussion of the Student-Parent hand book will precede the parent-teacher visitation. The Guidance program will also be presented. A luncheon will be served.

Setting the Standards

Some time ago Milton Eisenhower, president of Pennsylvania State University, said: "It is the private institutions that set traditions, the standards of academic freedom in America. And because the private institutions do set and maintain these standards, we of the public institutions also enjoy the benefits of such freedom. If private institutions were ever to disappear, the politicians would take over the universities, and there would then be neither educational freedom nor any other kind."

That fine statement explains the main reason why more and more American business enterprises are making more and more grants of money to hard-pressed private colleges and universities. Freedom is indivisible—if one freedom dies the others sicken and will eventually die too. And nothing could more surely foreshadow the end of freedom than government domination of education.

* * *

In Perspective

Another great wheat harvest recently ended. As in past years, there was criticism of railroads and other agencies because all the wheat wasn't moved instantaneously.

That criticism is certainly not shared by a man who has been familiar with raising wheat for half a century—H. E. Slusher, president of the Missouri Farm Bureau. He said: "We have seen one of the largest wheat crops on record move into storage with a minimum of inconvenience and delay. On top of the wheat movement was the problem of handling a huge surplus of corn . . .

"Little credit is given to the traffic department of the railroads for the fine job they do in routing cars to the heavy producing grain areas in advance of the grain movements. These cars have to set on the sidings for days before harvest, at great cost to the railroads. . . .

"This year a marvelous job was done by the railroads, by the elevators, by the Commodity Credit Corporation in comparison to the old days when you just had to wait it out. We have made great strides in the handling of our grain crops at harvest time over the past fifty years. Credit should be given where credit is due."

It looks as if the critics seized upon minor inconveniences—and overlooked the big achievements. Mr. Slusher has put the picture in perspective.

* * *

The Low Down From Hickory Grove

I been prowlin' again in my dictionary—just about my favorite book, maybe next to Aesop—and got over in the "M" section. Run across "manners." And sisters and brothers, any essayist—bay or worse or who—who could not come up with 200 words on the subject, should get out of the business.

"Good manners" is "distinguished deportment." The country is full of nice people with good manners but the ill-mannered ones who curdle the soup are the problem. And the first place to look is in the nursery where little Bill and little Becky are eyeing their new surroundings. But right here is where mama and papa should lay aside Mr. Freud's mumblings and pick up a limber stick—not too limber—and set at least 14 years for each off-shoot's bringing up. You don't instill good manners—lifelong type—in your little pride and joy by farming out the job to anybody. The baby sitter takes the short cut—anything for peace and quiet—to heck with good manners.

And along with the subject of manners—tied in definitely with same—delinquency looms. Our new ex-president—Senor Harry—swung a hay-maker recently when he laid delinquency square on the parents' doorstep. Imagine such a thing—me and Uncle Harry in agreement. Wonders don't cease.

Yours with the low down,
JO SERRA

LAKE VILLA

The Senio r choir practiced at the church at 7 p. m. on Monday evening and the Junior choir practiced also at the church on Tuesday afternoon after school. Any boy or girl in grades four through eight who wishes to sing in the choir is welcome.

Mrs. C. N. Dunbar, Mrs. John Perry, Mrs. Mary Makert, Mrs. Ruth Erickson, Mrs. Violet Raduli, Mrs. Grace Evans, Mrs. Gertrude Blust and Mrs. Fred Troesch went to Lake Bluff Orphanage last Saturday with articles for their fall festival and attended the luncheon.

Circle No. 1 held a meeting at the church on Wednesday afternoon and some of the members are planning to attend one or both of the District W. S. C. S. meetings soon, one on Sept. 30 at the Covenont Methodist church in Evanston and a fall evening meeting on Oct. 5 at the Norwood Park Methodist church.

Mrs. Bessie Boyer left Monday by auto to spend a few weeks with relatives and friends in California.

Mrs. Henry Nader visited her sister and family at Fond du Lac, and her parents and sister at Coloma Wis., over the week end.

Mrs. Gladys Ames, district deputy of Royal Neighbors attended the meeting of Cedar Lake camp last week Tuesday evening and the committee of the local camp met at the home of Marie Hamlin for last minute details for the annual R. N. convention to be held at the grade school gym on Tuesday afternoon and evening of Sept. 27. A school of instruction will be held during the afternoon and a program and class adoption during the evening. Dinner will be served at the Community church by ladies of the W. S. C. S.

The American Legion Auxiliary of the 10th District, Unit 1219 of Lake Villa held a meeting on Tuesday evening, Sept. 13 at Johnson's Reosrt on Fourth Lake and chairmen of the various committees were appointed as folows: Rehabilitation, Eunice Rathmann; Publicity, Ellen Bokan; Poppy, Leona Baba; Child Welfare, Dora Auston; Americanism, Irene La Mont; Parliamentarian, Eunice Rathmann; Coupon Membership, Lavergne Kraemer; Auxiliary loan, Irene Cremieux. The new officers of the auxiliary were elected recently at the Lake Villa Grade school gym as follows: President, Helen Boerman; 1st V. P., Lavergne Kraemer; 2nd V. P., Kay Prader; Secretary, Dora Auston; Treasurer, Leona Baba; Chaplain, Peggy Spencer; Sgt. at Arms, Ellen Bokan; and Historian, Irene LaMont. On Thursday evening, Sept. 29 at 7:30 at Johnson's Resort on Fourth Lake the group will sponsor a public plastic party and solicits your support.

A group of Cub Scouts with men mothers and a number of parents went to the beach at Racine last Saturday and enjoyed a picnic on the beach and a good time. Mrs. Dalgaard and Mrs. Olisar are den mothers here and others were from Venetian Village.

Mr. and Mrs. Russell Nickerson, Donna, Terry and Tom were in Chicago on Sunday to attend the Powerama show on the lake front.

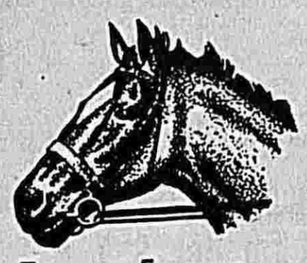

The Otto W. Lehmann memorial cottage at the Allendale school was dedicated on Sunday afternoon and several of the directors of the school were present, also Robert Lehmann, nephew of the late Mr. Lehmann.

PROCLAMATION

WHEREAS, JNOHN MARSHALL, former Chief Justice of the Supreme Court of the United States, during the early days of our Republic, made such an outstanding contribution in the development and moulding of our constitutional form of government that he is now generally recognized as "the Great Chief Justice," and

WHEREAS, SEPTEMBER 24, 1955, is the 200th Anniversary of the birth of CHIEF JUSTICE MARSHALL, and

WHEREAS, the commemoration of the birth of JOHN MARSHALL serves to focus attention upon the advantages and superiority of our constitutional form of government, and

WHEREAS, our Federal Constitution has been heralded as the bulwark of the greatest experiment in history of a government of law as distinguished from a government of uncontrolled arbitrary power vested in a dictator or small group of unrestrained men, and

WHEREAS, the history of mankind has demonstrated that the rights, liberties and pursuit of happiness of the citizen are better respected and protected under constitutional government than under any other form of government devised by the mind of man.

NOW, THEREFORE, I, J. W. McMILLEN, President of the Village of Antioch, and I, E. L. BARNSTABLE, President of the Village of Lake Villa, Illinois, DO HEREBY PROCLAIM SEPTEMBER 24, 1955 as the beginning of a period of commemoration in these communities of the birth of CHIEF JUSTICE MARSHALL, and we hereby urge each of the local schools and civic, fraternal, religious and service groups to devote, during the ensuing year, some program or portion of a program to honoring the birth and memory of the Great Chief Justice as a part of the NATIONAL JOHN MARSHALL BICENTENNIAL CELEBRATION.

DONE at Antioch, Illinois, this 21st day of September, A. D. 1955.

TV Stuff

By JACK SEIB and JOHN SHERBET

The National Society for the Prevention of Blindness has come up with a factual report about the health of eyes in connection with watching television.

Some of the details are:

Soft, indirect light with no reflections from the picture tube was the best lighting arrangement.

It is best to be as far away as possible from viewing television. There was less chance for eye muscle fatigue.

There is definitely no danger of any type of electronic radiation.

Generally speaking, you can watch TV as long as you wish. It is not harmful for the eyes. However, frequent intervals of looking away from the screen made viewing more enjoyable and less tiring.

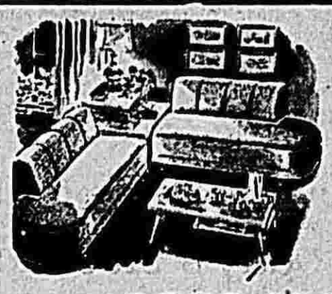

There was one that N. S. P. B. did not include which **COURTEOUS TV** thinks is important . . . Your TV receiver should have a clear, steady picture without line interference.....These interferences do tense the eye muscles and make people complain about TV viewing. Phone Antioch 144 if your TV gives you eye strain. We're not optometrists, but we'll know if your TV can cause any eye discomfort.

NOTE OF THANKS

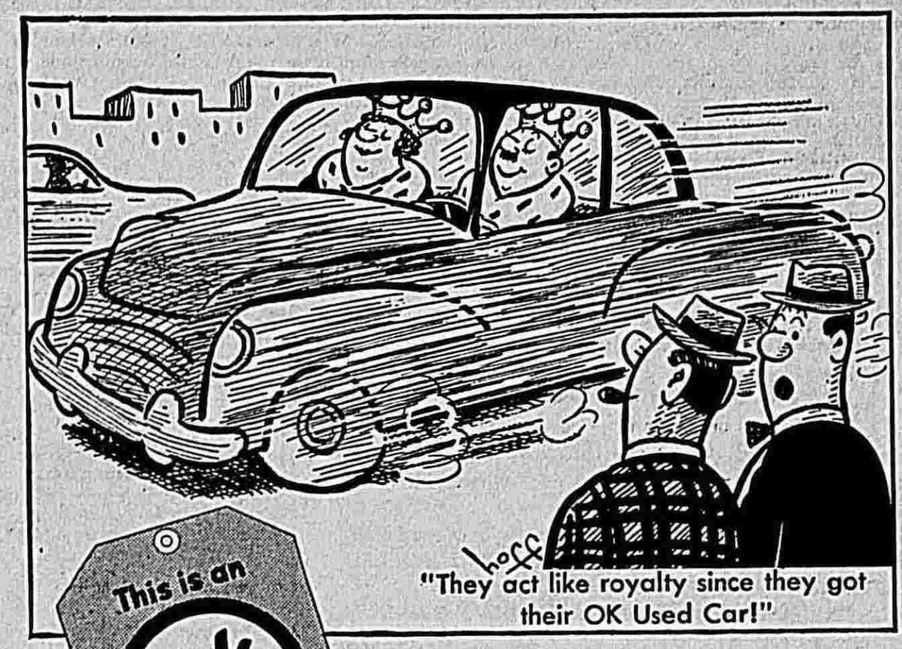

I wish to express my heartfelt thanks to all relatives, friends and neighbors for their kind expression of sympathy and especially to Father Johnson, the Strang Funeral home, and all others who in any way assisted during my recent bereavement in the loss of my beloved wife.

PROCLAMATION

Whereas—National Business Women's Week will be celebrated throughout the nation beginning on September 25 and ending on October 1; and

Whereas—The Organization of The National Federation of Business and Professional Women's Clubs, Inc. is contributing much toward the development of business and industry; and

Whereas — We are emphasizing "AIM HIGH"—in this pre-election year; and

Whereas—The Antioch BPW Club, as an affiliate of the National Federation of Business and Professional Womens Clubs, Inc., is likewise contributing much toward the improvement and progress of business, industry and civic needs in our community;

Now, Therefore, I, J. W. McMillen, Mayor of the City of Antioch, Ill., do hereby proclaim the week beginning SUNDAY, SEPTEMBER 25 and ending SATURDAY, OCTOBER 1, as NATIONAL BUSINESS WOMEN'S WEEK in Antioch and urge our leaders of business and industry to join in this observance.

In withness whereof I have hereunto set my hand and caused the seal of the City of Antioch to be affixed this 22nd day of September 1955.

Mayor: J. W. McMILLEN.

Card of Thanks

We wish to thank our friends for their gifts and good wishes for our 25th anniversary.

Mr. and Mrs. Wm. Young

In Memoriam

In loving memory of our Dear Husband, Father, Grandfather and Brother, Alfred J. Pedersen, who passed away five years ago, Sept. 23, 1950.

Though absent you are ever near,
Still loved, still missed, and ever dear.

Loving Wife and Family

Card of Thanks

I wish to thank my friends for the cards sent to me during my stay in the hospital.

Art Wertz

Card of Thanks

We wish to thank our friends for their cards and kindness to us since the accident.

Mr. and Mrs. Vernon Rogers

In Memoriam

In loving memory of my son, Frank, killed in a car and train accident in Antioch Sept. 23, 1953.

More and more each day I miss him,
Friends may think the wound is healed,
But they little know the sorrow lies
Within my heart concealed.

Olga Pitner, Mother.

THE

LAKES THEATRE

IS PROUD TO ANNOUNCE

that it is the FIRST Theatre in the State of Illinois with the installation of its NEW

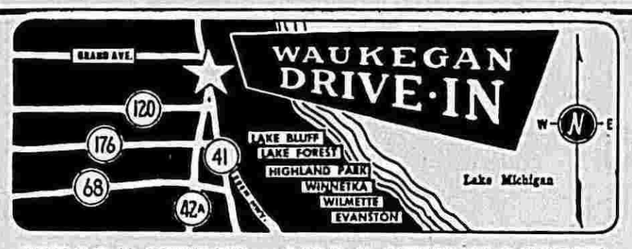

"VISTA POP" POPCORN MACHINE

(The most revolutionary development in popcorn machinery in 25 years.)

- SEE the popcorn explode before your very eyes!
- WATCH it work automatically!
- TASTE the delicious flavor of perfectly seasoned popcorn—never soggy because of FILTERED FORCED HOT AIR!
- BRAND NEW REVOLUTIONARY DEVELOPMENT!

Yes folks, it's here. So that our patrons may enjoy the show with the best popcorn anywhere, we've installed this Great New machine. (After all, what's a movie without popcorn?)

Before you buy any range, find out

Which *is* Faster

FLAME TYPE
5 minutes 31 seconds—still below boiling point

ELECTRIC
5 minutes 31 seconds—at boiling point

RESULTS OF RECENT IMPARTIAL RESEARCH:
Independent engineers of the R. W. Hunt Company (who made this series of tests) stated: "We ran several speed studies—comparing 3 modern flame-type ranges against 3 modern electric ranges. One electric surface unit boiled a quart of water in 5 minutes and 31 seconds. That was 56 seconds faster than the best flame-type burner tested. We made twenty-one tests in all. Results showed that the three electric ranges averaged 40 seconds faster than the three flame-type ranges." (All ranges tested were top brands.)

The answer: Nothing cooks faster than today's electric ranges!

If you have to get meals in a hurry, you know speed *is* important. But modern electric cooking offers more than speed.

For instance, when you cook vegetables the waterless electric way, the flavor is *all there!* And don't worry about scorching, because the electric unit heats the pan *evenly*.

There's no cooler way to cook than with a new electric range. Electric ovens are so well insulated they keep your kitchen up to 10 degrees cooler than flame-type.

Heard about our New Installation Plan? It can save you important money on installation of a new electric range. The Plan is available at all appliance dealers' and Commonwealth Edison or Public Service Company stores. Makes owning an electric range so reasonable there really isn't any reason to wait.

New electric ranges low as $2.16 a week, complete, installed!

SEE YOUR DEALER

or PUBLIC SERVICE COMPANY

YOU'LL PROBABLY PAY THE PRICE OF AN OLDS

"88" 2-Door Sedan

. . . so why not MAKE IT AN OLDS !

Chances are you've always considered Oldsmobile a high-priced car. And it's true, it *looks* like a high-priced car . . . *performs* like a high-priced car . . . has all the prestige of cars costing many, many dollars more. *But actually, you can own a big, beautiful "Rocket" Engine Oldsmobile for less than some models in the lowest priced field.* What's more, you'll find a "Rocket" is worth far more when you're ready to trade! And there never was a better time than *now* to make your move . . . *now* when Oldsmobile value is higher than ever, *now* when trade-in allowances are at their peak . . . *now* when Oldsmobile is rocketing to the greatest year in its history! So come in and try a "Rocket"! We've got one that will fit *your* pocket!

OLDSMOBILE

DON'T MISS GM'S "POWERAMA" • AUG. 31 - SEPT. 25 • South Lake Shore Drive near Soldier's Field • Admission Free.

Announcing **New Ford Trucks for '56**

Exciting new functional styling draws all eyes to the finest trucks on the American road—new Fords!

Now! Most horsepower per dollar!

NEW! More horsepower in every model ...up to 26% more! Every engine Short Stroke!

NEW! Bigger capacities! New Driverized Cabs! New Lifeguard safety features!

NEW! New styling, new "leadership look"! Over 280 models, from Pickups to BIG JOBS!

Comparison of strokes shows how much piston travel is saved by Short Stroke engine. Result: less friction, less wear, more *usable* power.

Now—'56 Ford Trucks give you a choice of *seven* Short Stroke Y-8's and a Short Stroke Six. Horsepower increases up to 26%. More power to get you rolling faster, save you time all the way! *More horsepower per dollar than any other truck line*—proved by comparisons of net horsepower and suggested list prices of *all* trucks!

New *Driverized* Cabs with full-wrap windshields cut driving strain. New Lifeguard features give you protection you can't get in any other truck! See the new Ford Trucks now, at your Ford Dealer's!

No other truck gives you all of these '56 features

NEW! 8-ft. "½-ton" Express for bulky loads. Also, 6½-ft. Pickup. GVW 5,000 lbs.

NEW! Deep-center Lifeguard steering wheel helps protect driver from steering column. Only Ford has it! No extra cost.

NEW! Lifeguard door latches give added protection against doors jarring open in an accident.

NEW! 12-volt ignition for better starting, better performance, greater electrical reserve.

NEW! "Special" Y-8 engines with exclusive hood air scoop, 4-barrel carburetor and dual exhaust system . . . for extra power and performance!

NEW! Tubeless tires run 25° cooler, give extra mileage! Standard on every Ford Truck!

NEW! Sodium-cooled exhaust valves in heavy-duty engines operate as much as 225° cooler!

NEW! Full-wrap windshield standard on all cabs. New full-wrap *rear* window at low extra cost.

ON DISPLAY FRIDAY—SEE YOUR NEIGHBORHOOD FORD DEALER

SOCIETY EVENTS

Girl Scout Council Met, Plans Season's Work

Board members for the Lakeside Girl Scout Council met recently in the home of their president, Mrs. Elizabeth Storch, and discussed plans for the coming season.

The first council meeting will be held at 8 p. m. Monday, at the Grayslake school. A round table discussion will be held to aid the leaders in solving difficulties in their troops, and to help the leaders present a wider program to their Scouts.

Mrs. Venita Cowell, Cookie chairman for the Council, reported that her committee had arranged for the Intermediate Scouts to sell cookies, and the Brownie Scouts to sell containers of mixed nuts.

The board decided that Oct. 17 to 23 should constitute Girl Scout Cookie Week for the Lakeside Council.

Leaders are to have their cookies and nut orders ready for the Sept. 26th Council meeting, and they will be able to pick up their orders from their Neighborhood Cookie chairman the weekend before Oct. 17.

The urgent need for adult workers in Scouting was discussed. If each adult now in Scouting were to approach a friend or neighbor about joining, the need could very well be filled.

Delegates to Report

A regular meeting of Antioch Unit No. 748 American Legion Auxiliary will be held Friday, Sept. 23, at 8 p. m. in the Legion Home. Delegates will be present to give reports on the annual state convention held at Springfield Sept. 1-4. Vera Horton and Deborah Van Patten are chairmen of entertainment and refreshments for the evening.

Woman's Club to Hold Meeting at Smart's Oct. 3

Antioch Woman's Club will hold its opening luncheon on Oct. 3 at Smart's Country House. It had been originally announced to be held at George Diamond's Chain O' Lakes Country club which was forced to cancel the reservation due to remodeling.

Mrs. O. W. Turner took charge of a party sponsored by the club in a men's ward at Downey hospital on Tuesday evening. Mrs. Grace Timmersman provided music on the solo vox while Mrs. Turner, Mrs. A. H. Kaufmann, Mrs. Anthony Scully and Mrs. Warren Polley visited with the patients and served them refreshments.

* * *

Mrs. Fred Franklin, proprietor of Stella's Beauty Shoppe, Grass Lake road, is convalescing at her home after undergoing surgery at St. Therese hospital, Waukegan, recently.

* * *

Polio Fund Dance

The public is cordially invited to attend the "Polio Fund Dance" at the Central High School, Salem, sponsored by Janet Christensen, Pat Christensen, Betty Dehnert, Diane Hart and Barbara Neu.

All proceeds will be contributed to the 1955 Polio Fund. This dance will be held Saturday, Oct. 9 at the high school gym. Music will be by The Hot Shot Five. The dance will start at 8 and end at 11:30 p. m.

* * *

Revoke Driver's License

Secretary of State Charles F. Carpentier today announced revocation of driver license of Donald V. Hustad, Libertyville, and Alfred J. Robichad, Great Lakes, because of driving while intoxicated.

Grass Lake P.T.A. Gets Good Start at Meeting

The Grass Lake Parent-Teacher Association had a good turnout at its first meeting Monday evening at which Mrs. Ann Pierce, president, presided.

Troop 80 of the Grass Lake school presented the colors. Mrs. Robylynn Golden, teacher, invited the parents to give the children benefit of the Horace Mann insurance plan.

A film, "Emotional Needs of Children from the Age of 7 to 10," was shown, and refreshments were served by the eighth grade mothers.

The project for the year for the association is the purchase of card tables and chairs. A Halloween party is planned for Saturday evening, Oct. 29 for which there will be an admission charge.

* * *

Card of Thanks

I wish to express my appreciation and thanks to all my friends for the many lovely cards and gifts sent me while in the hospital.

Mrs. Fred (Stella) Franklin.

* * *

Parents of Daughter

Mr. and Mrs. Thomas F. Haley, Jr., are the parents of a daughter, "Rita Cecilia," born Sept. 20 at St. Therese hospital, Waukegan.

HOSTESS AT DINNER PARTY

Alice Ruppert, daughter of Mr. and Mrs. Arthur Hansen of Loon Lake, entertained twelve members of Mizpah club of Mizpah chapter Order of Eastern Star of Chicago at dinner Friday at the Hansen home. Dinner was served at 7 o'clock.

* * *

ANTIOCH BUS. & PROF. CLUB TO HOLD OPENING MEETING WITH DINNER OCT. 3

The Antioch Business and Professional Women's club will hold its opening meeting of the season with a dinner at the Nineteenth Hole Monday evening, Oct. 3 at 6:30. District chairman Miss Florence Aiken of Chicago and Assistant District chairman Miss Julia Mitchell of LaGrange will be honored guests. Reservation for the dinner must be in by Sept. 30, with Mrs. Gertrude Dunning, telephone 784W after 6:30 p. m.

Meyers Tavern won all three games from Weber Duck.

Topercer Out of Game Saturday

John Topercer, Jr., will be unable to play in the game with the University of Wisconsin for Marquette this week owing to a shoulder injury received in practice. He expects to be able to play in other future games, however. He was home from Milwaukee one day last week to report to his parents, Mr. and Mrs. John Topercer, Sr., that his injury wasn't serious.

Lions to Meet Monday

The Antioch Lions Club will meet Monday evening at the Jaros Norshore Resort. A speaker is being obtained for the meeting.

POP GETS SCALPED

Are you one of the many men who habitually "borrows" his wife's hair shampoo every time you want to clean your scalp?

If so, your borrowing days can be at an end. Reason is the recent introduction of a new hair shampoo created exclusively for men, marking the first time a major toiletries producer has gone after the men's market with what used to be considered an exclusively woman's product.

What's the difference between a man's and woman's shampoo? According to William Mennen, jr., executive vice-president of the Mennen Company, the new shampoo has a definite, pleasing masculine odor—a scent chosen by a panel of experts, both male and female.

Secondly, it contains a new germicide which helps check dandruff and reduces skin bacteria. Thirdly, it is packaged in a non-breakable green plastic container with a no-slip grip, so that even if it drops in the bathtub there'll be no harm done.

Best of all, says Mr. Mennen, the product will not only encourage the husband to buy his own shampoo, but will add immeasurably to his grooming.

Poor Bridge Player Takes Heart From Columnist's Declaration that Such Women Are Really Feminine

At last I feel that I have come into my own! I have gained recognition from Sydney Harris, Chicago columnist, says an Antioch woman. He comes forth with the enlightening news that the real feminine woman is not a particularly good bridge player. I considered myself addle-brained when my partner bid 3-No Trump and I could not recall whether she meant that was a close-out bid or she was loaded with a perfect no-trump hand and wanted me to continue bidding. When the other players discussed a particular play stating that it came from reading Gorham or Blackman, I would spend the time removing an imaginary speck from my eye.

Now I got this way when Auction bridge was at its peak of popularity. The women in our locality outdid one another with handing out fabulous prizes. Soon it became a "dog eat dog" deal. The women played for the prizes not the fun. After one of these affairs which left me in tears, friend hubby laid down the law. . . ."This was no way to win friends and influence people . . . play the game for the fun in it or I'll . . . (ahem) forbid you to play."

From then on I became a truly feminine player. When I am dummy I go out in the kitchen and offer my services to the hostess; or take out recent snapshots of my family to show around to the other dummies (bridge—of course). And when I get "the Stare" from an expert as I needlesly trump her ace, I look thru my long fluttery eyelashes and remembering Harris say (to myself) "You are cold, logical and ruthless; you are not a womanly woman; you dominate your home and the social scene and are a bit scornful of the masculine sex. You may rank high here, my dear, but away from this bridge table my type is preferred.

Cheers to Mr. Harris! You have boosted my morale! What was once stupidity is now femininity. Anyone for bridge? ? ? ?

Salem Resident Killed

J. P. Burrell, 50, Salem, Wis., was killed Monday morning when his car rammed into the second car of an eastbound Milwaukee Road passenger train on the Sand Hill rd. west of Kansasville, Wis. The engineer of the train said that the electric signals at the crossing were working. Burrell was alone in the car at the time. His car was dragged 300 feet.

HICKORY

The Mothers Club held election of officers at their first meeting on Tuesday evening of the school year, at the chool house. Mrs. M. E. Van Patten, president; Mrs. Russell Doolittle, vice president, Mrs. Earl Moeller, secretary, and Mrs. Glen Fox as treasurer. Refreshments were served by the hostesses, Mrs. Clarence Spiering and Mrs. M. E. Van Patten.

Mr. and Mrs. Wm. D. Thompson and Helen spent Tuesday, Sept. 13 in Chicago.

Mr. and Mrs. Raymond Wells of Waukegan were supper guests at the Earle Crawford home on their way home from a vacation in Wisconsin.

Wm. Welch and daughter Norma and Miss Chloe Dietrick of Waukegan left on Saturday morning on a motor trip to Colorado where they will visit friends and relatives.

Mrs. Curtis Wells, Mrs. Richard Wells and two children drove to Melrose Park on Monday, Sept. 19 and visited Mrs. Mollie Robertshaw and Mr. and Mrs. Wm. Parsons.

Mr. and Mrs. Will Thompson and Helen were Thursday evening dinner guests of Mr. and Mrs. Arthur Meyer and family, also Phil Gould, at Rockford, Ill.

Mr. and Mrs. Emel Christensen and daughter and son from Coledima, Wisc., were Sunday afternoon visitors at the N. C. Christensen home.

Mr. and Mrs. Joy Sick and Mr. and Mrs. Frank Hewitt and granddaughter, Barbara, of Waukegan spent Sunday evening at the Earle Crawford home. Mr. Hewitt showed colored slides of his trip to Canada, Devils Lake, Wis., and Florida, to the group, who thoroughly enjoyed them.

Jimmie and Joyce Hunter are attending school in North Chicago. They are the children of Lt. and Mrs. Russell E. Hunter.

Mr. and Mrs. Warren Sivers of Waukegan spent Saturday evening at the Will Welch home.

Mr. and Mrs. Harold Butler and children of Waukegan visited the Curtis Wells family Sunday afternoon and evening.

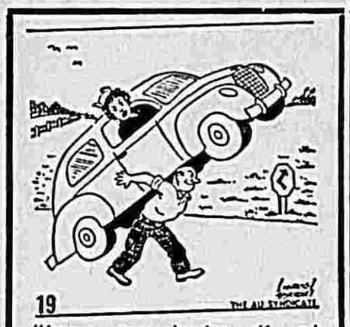

Jimmie Hunter spent Saturday and Sunday with his cousin, Jimmie Gerber in Antioch.

Here Friday! NEW '56 FORD!

The fine car at half the fine car price!

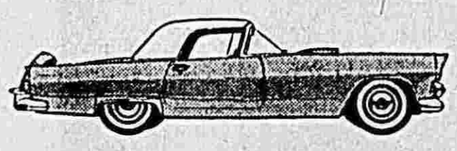

With new 202h.p. Thunderbird Y-8

THUNDERBIRD

New 202-h.p. Thunderbird Y-8 engine is available in Fordomatic Fairlanes and Station Wagons. In Fordomatic Customlines and Mainlines you can have the 176-h.p. Y-8. And Ford's new 137-h.p. Six is available in all 18 models.

...with new Thunderbird styling

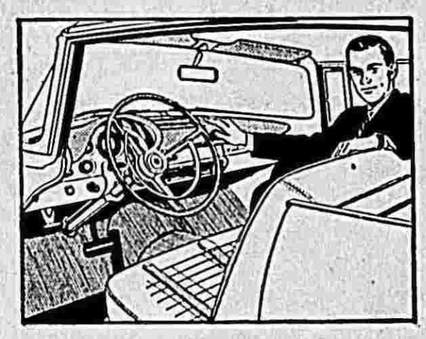

The new '56 Ford looks like the Thunderbird! You'll find the same graceful lines . . . the same long, low silhouette . . . the same dashing appearance . . . styling which helped the fabulous Ford Thunderbird to win America's heart.

...with new Lifeguard Design

For '56, Ford brings you the greatest safety news in a generation . . . Lifeguard Design. In cooperation with universities, medical associations and safety experts, Ford learned the cause of most serious injuries in accidents. To provide extra protection against these hazards Ford developed the new Lifeguard features described at right.

But there is still more wonderful news! Ford brings you Thunderbird power in a modern deep-block Y-8 . . . Thunderbird beauty, too . . . rich new interiors . . . quality throughout.

See it . . . try it . . . you'll agree the '56 Ford is the *fine* car at half the fine car price.

Ford's new Lifeguard features are: a new deep-center design steering wheel, to act as a cushion in event of accident . . . double-grip door locks to reduce chance of doors opening under shock . . . optional padding for control panel and sun visors to help lessen injuries . . . optional seat belts to help keep occupants in seats.

Come in . . . See the new '56 FORD Friday

NOTHING IN ITS FIELD CAN MATCH CHEVROLET FOR ACCELERATION!

Drive with care . . . EVERYWHERE!

Great Features back up Chevrolet Performance: *Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.*

When you need a quick sprint for safer passing, this V8 delivers!

It's pure dynamite, and you have to go way, way up the price ladder before you ever find its equal.

Chevrolet's new "Turbo-Fire V8" packs a Sunday punch for safer passing that no car in Chevrolet's field can match!

The proof was burned into the sands of Daytona Beach at the NASCAR* trials earlier this year. In acceleration tests, Chevrolet simply walked away from everything else in its field. *Plus*—and get this—all the high-priced cars except one!

Surprising? Not when you consider that this beauty's been cleaning up on all comers in short track stock car events this season. That's where acceleration really pays off, as well as handling ease and cornering ability—things that mean safer, happier highway driving. Come on in and let a new Chevrolet show you what we mean.

*National Association for Stock Car Auto Racing

Mrs. Grewe Replaces Mrs. Long as Chaplain Of Women of Moose

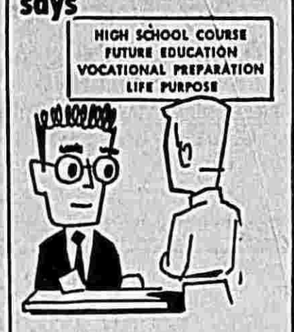

Mrs. Harriet Grewe was elected chaplain of the Antioch Women of the Moose last Thursday in the place of Mrs. LaVerne Long who has moved to Texas. Mrs. Cerelda Jung was appointed guide which was formerly Mrs. Grewe's position.

The hospital and ritual committees have combined to have a rummage and bake sale on Saturday, Oct. 8 at the Guild hall starting at 10 o'clock. Contributions will be accepted.

Six co-workers participated in the birthday march. Refreshments were served by the publicity committee.

The men of Antioch Moose informed the women they will conduct a dance Saturday, Oct. 8 which will be public. Bob Vogel and his orchestra will furnish the music.

EDDIE the EDUCATOR says

Good student counselling is essential to the present and future success of our boys and girls.
